Step 5: Type Mobile Number and Message and send the message

The screenshot displays a web-based SMS management interface. On the left is a dark sidebar menu with icons and labels for various features: Free SMS, Bulk SMS (highlighted), Custom SMS, Multimedia SMS, Address Book, Delivery Reports, Transactions, Invite & Earn, Dev API, Settings, and Help. Above the menu, a red header bar shows a balance of ₹274.40 and an 'ADD CREDIT' button. The main content area is divided into three tabs: 'PROMOTIONAL' (selected), 'QUICK TRANS', and 'TRANSACTIONAL'. The 'PROMOTIONAL' tab contains a form with the following fields: 'Sender ID' (containing 'ADTENT'), 'Mobile Number' (containing '+91 +91-8888888888' with 'CONTACT' and 'LIST' buttons), and 'Message' (containing 'Tomorrow will be holiday of your college/school'). Below the message field is a 'Total Contacts : 1' indicator. At the bottom of the form are 'SEND' and 'SCHEDULE' buttons separated by an 'OR' label, with a '0/1 SMS' counter. To the right of the main form is a 'Quick Templates' panel with an '+ ADD NEW' button and two template cards: 'Tomorrow will be holiday of your college/school.' and 'Your OTP is Type here'.
